

EUROPEAN COMMITTEE FOR TREATMENT
AND RESEARCH IN MULTIPLE SCLEROSIS

Guidelines for Non-ECTRIMS Meetings during the Annual ECTRIMS Congress

1. Companies or other organisations wishing to hold a meeting either during or immediately prior to / after the annual ECTRIMS congress must request approval from the ECTRIMS Administrative Secretariat (Congrex Switzerland Ltd.) in advance.

This applies to meetings held in the Congress venue as well as any other venue within the host city.

2. The ECTRIMS Administrative Secretariat will review the request and in case of doubt, consult the ECTRIMS Congress Planning Committee.
3. Company-sponsored meetings or symposia open to all Congress participants are not allowed, with the exception of official ECTRIMS "Satellite Symposia" which are part of the official Congress programme.
4. Only closed meetings (e.g. "company internal" or "by invitation only" meetings) are allowed during, immediately prior to or after the annual ECTRIMS Congress.
5. Meetings approved by the ECTRIMS Administrative Secretariat must not be identified as being part of the official Congress programme.

For further information, please contact the ECTRIMS congress secretariat at ectrims@congrex.com.
