

We are pleased to announce the **2nd Joint ECTRIMS/MSIF Fellowship Alumni Meeting**.

The meeting will take place on **Friday, 16 September 2016, 19.00-21.00**, at the **Hotel Crowne Plaza, Room "Docklands East"** (within walking distance from the Conference Center) during the ECTRIMS congress 2016.

With this meeting of fellows and alumni, mentors and ECTRIMS/MSIF Executive Committee, Board and Council members, we hope to create an attractive platform for promoting research training and exchange of information as well as to offer you networking opportunities.

The meeting will start with a welcome address by the President of ECTRIMS and IMSB Chair, Prof Xavier Montalban, followed by 8 short talks from current and past fellows of ECTRIMS and MSIF, presenting their research projects, training activities, and reporting on their fellowship experience. The talks will be moderated by Prof. Xavier Montalban and Dr Dhia Chandraratna, MSIF Head of Research. After the scientific programme we invite you to a reception with drinks and a light buffet dinner. You will receive a final agenda closer to the event.

Participation is on invitation only.

We look forward to meeting you in London and to an interesting event.

With best regards

Prof. Xavier Montalban
ECTRIMS President and IMSB Chair
